Subject: RE: Tue March 3rd VIPER training - Plan on attending
Date: Wednesday, February 25, 2015 3:04:04 PM

Chris – DOJ scheduled a Settlement meeting with Sunoco for 3/3/15, a month ago. According to DOJ, this was the only date in February or March available for the meeting. I discussed this with Brescia, since he just sent out the training schedule (a month ago), but couldn't find a way around it without postponing settlement.

Subject: Tue March 3rd VIPER training - Plan on attending

Please plan on attending the Tuesday equipment training. ERT is traveling to the region to conduct a comprehensive VIPER training on Tuesday, March 3rd at the Addison Training Facility. I know that some of you may already have an understanding of how VIPER can be used in the field; however, a refresher is always good especially when it is being held locally and FREE. Last month's equipment based training was cancelled due to lack of attendance. With budgets being tight, we need to take advantage of the FREE and local training being offered. Thus, you should make plans on attending the training on March 3rd.

If you have a scheduling conflict please talk with me prior to noon Thursday February 26, 2015.
